

Getting to Thidwick BnB from Derrynane House: As you can see on the map above, the route takes you up the hill. About 2/3rds of the way up you will see a sign on your left for the Kerry way. Take that. Along the Kerry Way on a KW post there will be our Thidwick BnB sign leading you up a grassy rough track to a locked gate. Climb over the gate, and then cross the road to our driveway. Watch out for cars coming around the corner – look to your right first.

Getting to Thidwick BnB from the Blind Piper: With your back to the Blind Piper front door, turn right and carry on straight (don't follow the bend). The small road becomes the Kerry Way – see map below. Do not take the main road – that's suicide. It should take ± 45 mins.

Route 2 Hike the top route to the Blind Piper Pub and have your main meal. As indicated on the map below, hike the top route to the Blind Piper. After your meal at the Blind Piper – in season make sure you have a reservation - walk back to Thidwick along the Kerry Way (same way as you came). Do not take the main road – that's suicide. It should take ± 45 mins. On the Kerry Way there will be our Thidwick BnB sign leading you up a grassy rough track to a locked gate. Climb over the gate, and then cross the road to our driveway. Watch out for cars coming around the corner – look to your right first.
